ALLERGENS & SPECIAL DIET

We have options for your unique dietary needs. When placing your Catering order please request any items you would like removed.

*May contain raw or undercooked ingredients; consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness, especially if you have a medical condition.

Peanuts, tree nuts, wheat, milk, eggs, soy, fish, shellfish and other food allergens are present in our kitchen. Although we make every effort to avoid cross contact of allergens, we operate in an open kitchen with shared cooking and preparation areas in which any of our ingredients can be present. Because of this, we are not able to guarantee that any menu item is completely allergen free.
